## How the Trust operates

The Trust is a registered charitable trust created to “*generally advance the education of pupils at the College*”.

The Trust welcomes applications through the School for support for educational activities. Priority is given to supporting those activities that benefit groups of students, rather than individuals. The Trust will from time to time fundraise to support key capital projects, and for student scholarships.

The Trust is governed in accordance with its Trust Deed, by a Trust Board elected by members each year. The Trust Board is made up of past pupils, staff, student and Board of Trustee representatives.

The Annual Accounts are audited each year by an independent auditor. The Annual General Meeting is held each year to;

- Receive an Annual Report
- Receive Audited Financial Accounts
- Elect Trust Board Members
- Elect an Auditor
- Consider any other relevant business
